Disclaimer: I acknowledge that this free oil change and vehicle check up provided by the Church is not intended to replace a comprehensive vehicle maintenance program such as offered by your vehicle's dealership. The services and opinons offered are limited in nature as this is not a professional automotive service and we can not know the extent of any underlying condition, nor do we have extensive diagnostic equipment availalbe to allow a thorough diagnosis. We will attempt; however, to give you an honest opinion of your car's condition and hope to give you a common sense recommendation of any concerning issues that you may bring to our attention or are uncovered during this inspection.
